

Briefcase Style Locking Courier

with Arcolock-7®

Designed for applications that require dual or “bag-in-a-bag” security, the Briefcase Style Locking Courier with handles serves as the outer bag and a Rifkin Safety Sac® serves as the inner bag.

Secure: Choose The Rifkin Briefcase Style Locking Courier Bag for secure transport of documents.

- High security, tamper-resistant, patented Arcolock-7® with seven pin tumbler mechanism.
- Tamper-resistant, metal, close-tolerance zipper.

Convenient:

- Plastic molded handles for carrying ease.

Accessories:

- Customized keying system for Genuine Rifkin security and dependability.

Identification:

- Framed Window Name Plate allows individual identification to be added to each bag which can then be changed as needed.
- Silk-Screen Imprinting or Embroidery for long-lasting identification.
