

# Non-Lock Courier Bag

**Non-locking design is ideal for couriers in need of a bag that can withstand daily wear and tear of multiple stops.**

**Great for transporting weighty, bulky or cumbersome material.**

**Extra Durable, Large Capacity:** Sturdy construction - stands up to years of heavy use.

- Comfort Grip handles made of extra strong webbing, reinforced with rivets.
- Reinforced Vina-Hide base to provide extra protection against wear and tear.

### Convenient

- Large capacity, heavy-duty, non-locking (no zipper or other closure) for added convenience of taking packages in and out of bag.
- A multi-purpose tote bag for transporting non-sensitive documents or small objects.
